**Stroke:**

## **Conversations and Explanations**

**Stroke: Conversations and Explanations**

contains two separate, but related videos:

***Living After Stroke: Conversations with Couples***, is an honest and poignant exploration of the impact of stroke on the lives of six couples.

They explore topics such as intimacy, finances, depression, pain, frustration, fear, job loss, and daily struggles.

***Stroke: Early Recognition and Treatment***,

is an in-depth exploration of stroke – the warning signs, early treatment, and continuing recovery.

Interviews with three neurologists are interspersed with short clips of couples describing the onset of their stroke.
